## Classique appointed Official Supplier Dulux Refurbishment Stage

Classique will participate in the inaugural Hotel, Hospitality and Design Expo 2010 at the Melbourne Exhibition and Convention Centre during May.

As well as having a major **stand # B-10** in front of the Main Entrance to the Expo; Classique will also be OFFICIAL SUPPLIER for all joinery and furnishings, to the Hotel Refurbishment Stage, at the rear of the Exhibition Centre.

**John Eussen** of **eussen Consulting**, will be the on-stage host of 1 hour presentations, repeating 3 times per day, for each day of the Expo. The designers will present a live summary of their "mock-up" guest room layout and examine the reasoning behind their choice of specified products and materials.

The 5-star guest-room refurbishment has been designed by **Elizabeth Tam of ETDC** who has projects credited to her prestigious career which include :

- ✓ Sofitel Wentworth - Sydney
- ✓ The Langham Hotel – Hong Kong
- ✓ The Oberoi Hotels – Goa, New Delhi & Mumbai
- ✓ Stamford Hotels – Melbourne, Brisbane
- ✓ Crowne Plaza Hotels - Port Moresby, Terrigal, Canberra, Coogee.

The 4-star design concept has been created by **Jodi Foster and Penelope Ward of Foster & Associates**. The two of them have worked on a diverse mix of projects spanning the UK and Asia-Pacific, whereby their hospitality designs, have been commissioned for :

- Mirvac Hotels
- Renaissance Hotels
- Hilton Hotels
